

**City of Lincolnshire  
Board of Commissioners  
Minutes of Meeting  
January 08, 2019**

A regular meeting of the Board of Commissioners was held on January 8, 2019 at the Louisville East Nursing Home. Those in attendance were:

Mayor: Lew Hudson  
Commissioner: Dean Duncan  
Commissioner: Emil Peter  
Commissioner: David Thomas  
Commissioner: Steve Steuer  
Police Chief: Leslie Watson

Residents: Sister Rochelle - 6 Pembroke Rd.  
Ms. Ray - 5 Pembroke Rd.  
Ms. Alberding & David - 1 Pembroke Rd.

The meeting was called to order at 7:01pm. Mayor Hudson administered the oath of office to Commissioners Duncan, Steuer, Peter and Thomas, who were newly elected or appointed as Commissioners. The December 2018 meeting minutes were reviewed. Commissioner Peter raised a motion to accept the minutes, Commissioner Steuer seconded the motion, and the motion passed.

**Police Report**

Chief Watson reported there have been no significant police issues in the City recently. Mayor Hudson will contact Metro Council Parker's office about installation of a streetlight and ponding water at the intersection of Pembroke Road and Browns Lane. Residents have expressed concerns about the heavy traffic and poor visibility at night when turning, and water standing on Pembroke at the intersection. The Mayor will invite Ms. Parker or her assistant to future Lincolnshire meetings to discuss such issues.

**Sanitation Report**

Sister Rochelle reported that garbage is not being picked up at 2714 Browns Lane for some reason. Commissioner Peter will contact Waste Management to get the issue resolved.

**Treasury Report**

The Commissioners reviewed financial reports for 6 months of the fiscal year to date (7/1/2018 – 12/31/2018) and a list of receipts/disbursements for the month of December. Commissioner Thomas raised a motion to accept the financial reports, Commissioner Steuer seconded the motion, and the motion passed.

### **Old Business**

Commissioner Steuer has obtained copies of ordinances from some of the surrounding small cities. These will be used for comparison to City of Lincolnshire's ordinances at future meetings to determine if revisions to Lincolnshire's ordinances should be considered, particularly parking and parking violation fees.

### **New Business**

Ms. Raye explained how water from the street comes up close to her home during heavy downpours. It is expected that an upcoming MSD project to help water drainage from near Sister Rochelle's home will help alleviate this problem. Sister Rochelle provided a contact for that work from MSD as John Matthews, Construction Inspector, 502-540-6308, mobile 502-475-5611, [johnmatthew@loumsd.org](mailto:johnmatthew@loumsd.org). Commissioner Duncan will contact Mr. Matthews for an update on this project and invite him to the next Lincolnshire meeting.

No other business at hand, the meeting was adjourned at approximately 7:55 pm.

Dean A. Duncan  
Commissioner
